The spirit, the grandeur, the elegance of Greece continuously manifests itself in our ideals in our spirit and in our dedication to life. Hers was a beacon, which now extinguished, once shone bright. The flicker of her genius, however, remains forever and is a constant reminder of our rededication to her ideals.

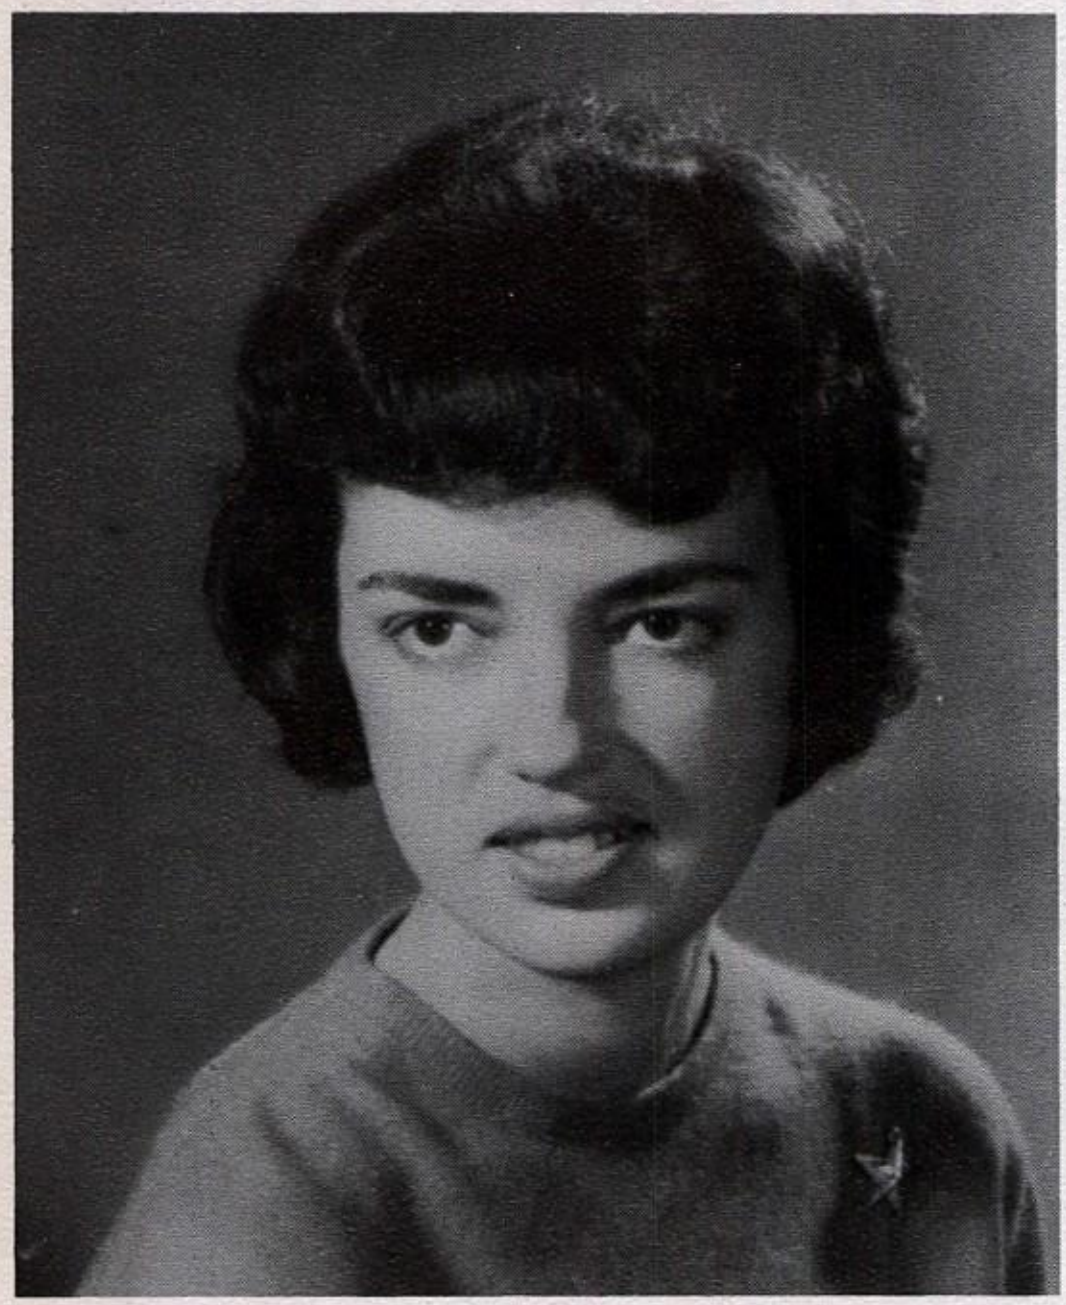
September 1964 ushered in not only a new school year but also a new principal. Larry A. Prince, formerly principal of Silver Creek High School became Lancaster's new principal.

Mr. Prince comes well qualified, academically. He attended Jamestown High School where he was active in dramatics, athletics and music. Upon graduation, he entered the University of Buffalo where he completed his B.A. in Science and then he matriculated at Columbia University where he was awarded an M.A. in educational administration. Currently he is working on an Ed. D. degree at the State University of New York at Buffalo.

Mr. Prince is endowed with a tremendous educational zeal and endeavors unceasingly to provide a good education for each student.

We the students of Lancaster High School can be proud to have such a versatile and dedicated educator as principal. We can use his uncommon devotion and inspiration as an example to our young lives.

Introducing Mr. L. A. Prince



Appreciation

Colorful, energetic, inspiring, are some of the adjectives which help in some measure to describe a remarkable person. Mrs. Mary Beth Spooner, has in a short time stamped Lancaster High School with her indelible spirit. This infectious spirit has made each of our working experiences with her, illuminating and unforgettable. We are truly grateful to have such a responsible and genial person as mentor and friend.

Appreciation

Quiet but uncompromising, Mr. Thomas Roop—characterizes the ideal teacher, advisor and friend. His untiring effort as teacher provides illumination to many an aspiring biologist. As advisor, he has worked hard to make the class of 1965 a successful one, scholastically, financially and socially. His pleasant manner and charitable attitude has won him the respect of the entire class. Thank you Mr. Roop—for your unselfish dedication and inspiring leadership.

After many years of service to the school and to the community, Mr. Schermerhorn will retire at the close of the school year in June. His services to the school have been many and varied and reflect his equally varied personality. His classes over the years have included history and appreciation, music theory, girls' chorus, and mixed chorus. His outside activities include acting as advisor to the music and directing many spirited musical productions.

In the true spirit of modern man, Mr. Schermerhorn's interests include the writing of young children's books and the writing of travelogues. Mr. Schermerhorn has also made extensive trips to South America.

With these interests, life can be nothing but interesting and enjoyable. Just as his career over the past years has been well rounded and full, his warm personality and insatiable curiosity should guarantee an equally full and varied retirement. We at Lancaster High School speaking for ourselves and for those who have known him over the years, wish him the best of everything in whatever endeavors he selects.

Barbel Fietzner and Patricia Kinkead were recipients of the annual art award for 1964.

The program of art enrichment is offered to students of high qualifications, visual awareness, and mature attitudes in the area of the humanities.

Pat and Barbel enjoyed the conducive college learning atmosphere. The program included drawing, painting, jewelry making, pottery, and general crafts.

This program, as offered by the State Teachers College at Buffalo, is supported by the P.T.A. However, the spotlight must be placed on Miss Bates for her foresight, long hours, and encouragement that she has devoted to the students who have to date benefited by her initial action.

The L.C.S.H.S. Music Council is an advisory group of students. Members are selected at the beginning of the school year from each major musical organization: band, girls chorus, mixed chorus, and orchestra.

The purpose of the council is to assist the three music directors in planning and carrying out the various musical activities. There is ample opportunity for the members to use creative and imaginative thinking and planning. When projects are put into action, the members find numerous chances to employ co-operation, leadership, and perseverance.

The council meets the first Monday of each month and calls special meetings when necessary. Recent projects have been the All County Program, the local concert, and the January Dance.

Key Club

The Key Club is a service club for boys from the tenth, eleventh and twelfth grades in high school. Although a Key Club is similar to other high school organizations in that it operates under school regulations and draws its membership from the student body, it is in some ways uniquely different from any of them. This uniqueness stems from its sponsorship, its aims and its program.

The Key Club is unique in that it is sponsored jointly by school officials and local Kiwanis Club officials. Through this singular sponsorship and the association developed, Key Club members learn about their community and responsible citizenry.

Although the organization is unique, the primary aim of the Key Club is to develop initiative, leadership and citizenship among its members. These qualities are essential and necessary if its members are to develop into useful and responsible citizens.

Future Nurses

The Future Nurses of the Lancaster Senior High, one of the first groups of its kind to be organized and chartered in this area, is celebrating its 10th. anniversary this year. On January 14, 1965, the group voted to change the title to Health Career Club, which is more descriptive of the group. Members enter the fields of Laboratory Technology, Nursing, X-ray Technology, and other medically related fields. Prospective doctors, dentists, and male nurses will find this title more satisfactory.

Several basic aims include giving members insight into the diversity of medical service fields. Development of a community spirit of helpfulness and service is another purpose of our group. We also hope to examine and to seek possible solution to such problems.

Officers include: Gail Shaw, President; Sharon Teagarden, Vice President; Kathy Kossowski, Secretary-Treasurer; Nancy Smits, Corresponding Secretary and Mrs. Vasbinder, faculty advisor.

Future Teachers

It is probable that the bent given by the education will determine the quality of later life.

The Future Teachers Club is organized to provide students with greater insight into the demands and rewards of a career in education. Membership is open to all those interested in teaching, and the club is hopeful of developing those individual skills most essential to the field of education.

Club members are given opportunities to report on the admission requirements of various colleges and in regard to the various specializations possible. An annual observation program is undertaken on the junior high and elementary level to evaluate contrasts in approach and technique. Members also contribute research on current trends as reported in the *National Education Journal* and the *New York State Journal*.

The co-chairmen of the Lancaster chapter, Future Teachers of America, are: Mary Anderson and Bonnie Basher; the secretary is Yvonne Buonamici. Mr. Roessel serves as advisor.

Future Homemakers

Future Homemakers of America is a voluntary organization for junior and senior high school girls.

The motto is: "Toward New Horizons." It reminds members that their contributions to home life today will influence the kinds of homes they have tomorrow.

The overall goal of FHA is to help individuals improve personal, family, and community living, now and in the future. The purposes are:

1. To promote a growing appreciation of the satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in the home and community.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in the home and community life.
7. To provide wholesome individuals and group recreations.
8. To further interest in home economics.

For our activities we have had bake sales, a cake decorating demonstration by a local baker and made toys for St. Joseph's Hospital children's ward.

The officers are:

President—Maxine Mioducki
Vice President—Annemarie Welz
Secretary—Donna Wood
Treasurer—Diane Reimer

The colors are red and white; red suggests strength; white suggests sincerity. The organization flower is the red rose. Mrs. Judith Bradley serves as faculty advisor.

National Honor Society

The National Honor Society is a well known organization of this school. Its purpose is to uphold the qualities of scholarship, leadership, citizenship, and service and to commend those students who have attained these virtues. The members of this organization participate in such activities as: sponsoring courtesy and dress-up days, taking full responsibility for the selling of class pictures, attending and taking part in P.T.A. programs, and serving as guides when there is Open House at the school. Each spring and fall there is a Tapping Ceremony in which new members are inducted. The advisor of this organization is Miss Diana and the officers are: President, Donald Simme; Vice President, Carol Christ; Secretary, Sharon Flanagan; Treasurer, Susan Luthart.

Valedictorian

Judith Louer, valedictorian of the Senior Class of 1965, manifests in many ways this glowing honor. She has attained an average of 95.635 for her years in high school in addition to participating in extracurricular activities. Judith has been honored by induction into the "Societe Honoraire de Francais" and National Honor Society. She has also been active in Band, Senior Senate, and Student Council. Congratulations to Judith for an honor well-deserved.

Salutatorian

Georgiana Kehr, salutatorian of the graduating class of 1965, with an average of 94.280, is in many ways singular. Scholastic achievement, is invariably meritorious, but in Georgiana's case her total projection is an inspiration for all with whom she comes in contact. Her musical interests involve her with the school band and orchestra where she plays the French horn and bass violin. Artistically she is involved with the school newspaper as art editor. In activities she has contributed many useful hours as a member of the Honor Society and Water Show. The Senior Class extends its congratulations to Georgiana.

Membership in the "Societe Honoraire de Francais" is the highest honor a French student can achieve. Elected to membership in this honorary organization are Jacqueline Brozyna, Carol Christ, Barbara Ellk, Judith Louer, Donna Stachitus, and Donna Stetz.

French Awards

This French certificate is awarded to students to recognize their scholastic accomplishments on all four levels of language study. To be eligible a student must maintain a 90% average in French and complete an approved project.

American Field Service

Judy Domagala *President*
Karen Winkler *Vice President*
Marie Bienkowski *Secretary*
Kathie Griffin *Treasurer*

The American Field Service is an organization which sponsors exchange students from here and abroad. One of its main purposes is to create understanding among all people of the world.

This year's members along with the officers: Judy Domagala, President; Karen Winkler, Vice President; Marie Bienkowski, Secretary; Kathy Griffin, Treasurer, and our advisor, Mr. Saia, have tried to encourage student body interest by continuing an annual American Field Service dance. This year the dance had a Grecian theme as our exchange student is from Greece.

We feel that the club has been successful in fostering harmony and understanding among the Lancaster families that have received exchange students and the countries that have sponsored them.

MODEL UNITED NATION'S ASSEMBLY

The Model United Nation's Assembly meets each year at Gannon College in Erie, Pennsylvania. It consists of students from Ohio, Pennsylvania, and New York who serve as representatives from countries all over the world. These delegates are divided into committees that attempt to solve world problems in the same manner as the actual U.N. in New York City. This year some of the problems discussed were: Disarmament, the Congo, the Berlin Crisis, Cyprus, and the Laos question.

Students from Lancaster were chosen on their scholastic ability and knowledge of world affairs. Also taken into consideration were personality and ease of speaking. Those who attended were Margaret Hawk, Holly Smith, Linda Zylka, Donna Laney, Jackie Brozyna, Janis Stuart, Karen Winkler, Kathy Wollesch-lager, Karen Parr, Darlene Biggee, Cathy Miller, Secretary; Karen Waiss, Publicity Chairman; and Barbara Ellk, Group Chairman.

After many study sessions and bloc meetings, the Lancaster delegates representing Norway traveled to Erie where they experienced a weekend of General Assembly meetings, individual committee meetings, guest speakers, mixers, and other activities. The delegates arrived home Sunday afternoon after three enjoyable and totally worthwhile days.

Mr. Vincent E. Kane was director of the group and was accompanied by Mr. Richard Pierce and Miss Sue Hartke who served as chaperons.

The Student Council is the student government in the school. The members are chosen from their respective homerooms to get information on school matters for the students they represent. These same representatives are to bring student suggestions and views to the Student Council for the benefit of the school. We hope that the group furnishes the students with a practical laboratory in democracy.

Among the new activities sponsored by the Student Council were: a cafeteria courtesy day where all the tables had table clothes and flowers, a collection of money and gifts from the student body which were presented to Our Lady of Victory Orphanage at Christmas, a thorough revision and rewriting of our constitution, and benefit performances designed to aid fellow students. It was felt that these new activities helped to broaden the council members and student body's perspective on community responsibility and human charity.

The officers for the year 1964-65 are: President, Joseph Arcese; Vice President, Marcy Brimo; Secretary, Kathy Thorpe; and Treasurer, Robert Ball. The Director of Activities is Mr. Vincent E. Kane.

Dear Miss Hartke,

Well the year has come to a end for me until next year. But it's ended for you. We have had alot of heart breaks this year but they were smooth because you were there to help me. How can I ever forget all our talks and pleasure rides. I will never forget you and how we have grown to know each other in the past 2 years. Someday our dreams will be answered and we might attend the same wedding some day. And then we can both cry together. As Always

COACH FOYLE

The Lancaster Redskins had a great year in '64 and emerged champions in every sense of the word. Their victories over J.F.K., West Seneca, Williamsville, and Hamburg among others earned them the Division I championship.

As with all champion teams, it is difficult to single out one person because the victory usually represents a collective effort. Each game was a composite of team spirit and enthusiasm. Without this team spirit it could have merely been a mediocre season.

The Redskins were well represented on the ECIC All-Star Team. John Gebhardt, Joe Brunet, Carl Kuras, and Lou Sallie were singled for their individual efforts.

This undefeated season would not have been possible if it were not for the combined efforts of coaches Joe Foyle, Joe Olszewski, Ron Bouchier, and Robert Lang.

The Lancaster Junior Rifle team is expecting 1964-1965 to be a good year. At this point our record is 2 wins, 2 loses. We are improving at a very rapid pace. Behind such solid performers as Bob Ball '65, Doug Thore '65, and Jim Hughes '65, we expect a winning season. Our juniors are paced by Kirk Walters, '66; Wayne Bartz, '66; Don Wild, '66; and a promising young sophomore, Jim Zacharko '67.

J. V. Basketball

"It's a strike!" Wonderful words that echo beyond the walls of the Moose Club Bowling Alleys—that is if they're caused by the Redskin Bowlers!

The Redskins, who lost all but one member of last year's Division I championship team, experienced a rebuilding season. With eight sophomores and juniors who gained valuable experience during the past season, the Redskin Bowlers are looking ahead to a "striking" season next year.

Members of this year's squad are: Thomas Austin, Joseph Boxhorn, Kenneth Hackmann, Robert McLaughlin, Timothy O'Neil, Ronald Saybent, Dennis Szuder and Joseph Ventura. James Johnson is faculty advisor.

Miss Hartke, (Suzie)

Best of luck always in everything you ever do. Senior High has been better and more worthwhile since I got to be close to you. The help you've given me in so many ways - You were, are, and always will be <u>the</u> <u>greatest</u> person I've ever known. You were always there giving so much of yourself to others. Thanks a million for the help you gave and I hope will continue to give when it comes to Cherubs I and II. It really was greatly appreciated. I still feel as though you're one of the few people I can really talk to when it comes to our one true common interest. Even though things didn't work out in either of two "special" cases, things were easier to take with your helping hand, and willingness to help everyone. Maybe if you weren't around I wouldn't be over on Cherub I's good side - but that alone makes me thank ya a million times over and over again. I know you're that "special someone" he talked about - he thinks the world of you and I know how that makes your days complete just to think of it. Sue, if you ever change in anyway at all, you just won't be our Miss Hartke. Keep your shoulder handy cause I'll always want to know that it's there and I know all the other kids feel the same. Don't you ever forget L.C.H.S. and your children - okay Mother!!! Stay as you are and things will always work out for you as best they work out <u>exactly</u> the way you want. Take it easy at Radio One Joan and if anyone gives you trouble over there we'll all get together and take

Dear Miss Hartke, (Sue)

There is so much I could say, but somethings you just can't put down in words. You have made my 1st year at the Senior High worthwhile & I wouldn't have had your understanding ways; ready to listen attitude all the time, I would have been lost! You helped me understand alot of things and alot of people. You could even say you were my (and many others peoples) guiding light, hey yours still shinning too. I appreciate everything you've done for me and will never forget it (How could I) Please, promise me you'll never lose or give up any of those wonderful gifts that were given to you. Don't ever lose Cheryl's friendship for I think he would be totally lost

without it. Never forget all the fun we had this year, Ok & prom night & good luck in your future years no matter where you teach, & be good to all the kids there. Never forget F.C.S. & the kids that are apart of it such as I.

Love ya always,

Sue

Anthony

Best of luck in your future teaching years. Thanks for all the things you've done for all us "kiddies" this year.
